

Hand-drawn schematic diagram of a grid of rectangular elements. The grid is 5 rows by 4 columns. Two 2x2 sub-grids are highlighted with dashed lines. The top-left sub-grid is labeled 126A. The top-right sub-grid is labeled 160. The bottom-left sub-grid is labeled 126. The bottom-right sub-grid is labeled 166. Individual elements are labeled 128, 162, and 164. Some elements contain a small circle. The grid is surrounded by dots, suggesting it is part of a larger array.
